

LEARNING OUTCOMES

Certificate

Program: Corrections Officer

Upon completion of this program, students will be able to:

1. Demonstrate knowledge of the history of corrections, and its place in the criminal justice system.
2. Interpret and explain correctional thought, practice and theory.
3. Identify the organizational and legal structures within the Criminal Justice system.
4. Explain how the law enforcement component of the Criminal Justice system relates to the corrections component, including jails, prisons, probation, parole and community-based corrections.
5. Recognize and explain how the courts component of the Criminal Justice system relates to correctional practices within institutions such as jails and prisons, and within programs such as probation, parole and community-based corrections.
