

Start your engineering education at Bay College

PERSONALIZED EDUCATION | COSTS SAVINGS | INDUSTRY RELATIONSHIPS

HIGH SCHOOL

Free College Credit:

We have dual enrollment agreements with most schools in Dickinson County. This means students can start saving by achieving those college credits before graduating high school.

Earn while you Learn

- Save up to \$20,000+ by attending Bay College for the first two years.
- Get personalized attention and free tutoring in a small class setting. Bay instructors ensure students are prepared for future success.
- Bay is partnering with local businesses on paid internships that allow students to make money, get experience, and build meaningful relationships in their field, all while they attend college. Participating businesses include:

FOUR-YEAR UNIVERSITY

Transfer with Ease

- Bay's advisor's work with students to ensure credits transfer to the four-year university of their choice.
- Bay College has transfer agreements with most universities in Michigan, as well as an agreements with Lake Superior State University and transfer agreements with Michigan Technological University. This means credits will transfer seamlessly into their engineering curriculum.

THE WORK FORCE

Jobs are Waiting

- Students have relationships and potential job opportunities with businesses they interned with locally.
- Continuous training opportunities.
